CERTIFICATE OF COMPLETION

This is to certify that **Darshit Chauhan** has successfully completed a 4-month contract as a **Data Analyst** at **TwinsCloud**, from **May 2024 to August 2024**.

During his tenure, Darshit demonstrated excellent analytical and problem-solving skills while working on real-world data-driven projects. His responsibilities included:

- Cleaning, organizing, and preparing large datasets for analysis using **Python (Pandas, NumPy)** and **MS Excel**
- Performing **exploratory data analysis (EDA)** to identify trends, patterns, and insights crucial to business decision-making
- Creating **interactive dashboards** and visual reports using **Power BI** and **Google Looker Studio** to communicate findings effectively with stakeholders
- Collaborating with internal teams to understand data requirements and deliver accurate, actionable insights within deadlines
- Supporting the development of KPIs and metrics to track performance and optimize processes

Darshit's ability to interpret complex data and present it in a meaningful and visually engaging manner made a significant contribution to our analytics efforts. His dedication, professionalism, and eagerness to learn were highly commendable throughout his engagement with us.

We wish him all the best in his future endeavors and career growth.
